

ANN IS GOING HOME

STEVE

Where are you going?

ANN

Home.

STEVE

Home's the other way.

ANN

Not mine.

STEVE

Are you going back to your mom's?

It's a 15-mile walk.

ANN

I know how far it is.

STEVE

All right. Well, then, I'll just walk with you.

ANN

You do whatever you want.

STEVE

What I want to do is take you back to our house.

ANN

Why did you tell Sacha you were gonna strike out on your own?

STEVE

I don't think I said that, but if I did, when I say,
"on my own," I mean you and me. I always mean you and me.

ANN

You gonna leave me?

STEVE

No, I'm not gonna leave you.

Nobody's leaving any...

ANN

... 'cause I will leave you first.

He laughs.

ANN

It's not... Funny.

STEVE

I'm not gonna leave you. You're not gonna leave me.

Because if you do, I'll just follow you.

ANN

I don't want to go to jail.

STEVE

Not going to jail.

ANN

And I think I'm gonna have a baby.

STEVE

We're gonna have a baby?

ANN

You're not mad?

STEVE

I'm not mad.
